Quick-Fix Ø 10-12mm

Quick-Fix is a modern plastic mounting system for all pipe types from diameter 10 to diameter 65mm. These brackets can be used for either a heating, plumbing, mechanical or electrical supply system. The Quick-Fix provides 50% shorter installation time compared to the traditional nylon pipe bracket. All Quick-Fix brackets are made of high quality plastic (polyamide 6). This high quality material ensures a perfect resistance to temperature and the like.
