Nylon plug with collar 10x60

The CELO plug with collar is suitable for almost every building material. With the 4-sided expansion in solid building materials and the knotting in perforated bricks or board materials, the plug always provides a secure fixing with high pull out loads. The plug collar inhibits slipping into the drill hole. The plug is also compatible with many types and sizes of screws. The multi-purpose plug with collar consists of high quality polyethylene which guarantees long lasting elasticity and reliable knotting behaviour.

General information

Product ID	50000091
GTIN	5413574022555
Manufacturer name	Rofix
Brand name	ROFIX
Product in stock	No
Net length	0.12 m
Net width	0.095 m
Net height	0.09 m
Net weight	0.003 kg
Net volume	1.026 m³
REACH indicator	Does not contain any SVHC in excess of 0.1% product weight

Ordering information

Order unit	Piece
Minimum quantity	50
