Slide nut M6 with spring -Strut 41-41

The sliding nut makes it possible to fix various mounting parts in/to the Rofix mounting rail/cantilever arm. The specific shape, with a serrated profile, ensures that the nut is fixed in the mounting rail/cantilever arm, which prevents counter-turning. The spring at the bottom of the nut provides counter-pressure, which also makes vertical mounting possible.

General information

Product ID	50000429
GTIN	5413574085871
Manufacturer name	Rofix
Brand name	ROFIX
Product in stock	No
Net length	0.21 m
Net width	0.17 m
Net height	0.09 m
Net weight	0.001 kg
Net volume	3.213 m³
REACH indicator	Does not contain any SVHC in excess of 0.1% product weight

Ordering information

Order unit	Piece
Minimum quantity	100
