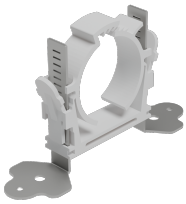
Thiafix

THIAFIX is designed for the rapid installation of 50 mm diameter downpipes. The clamp is made of durable PP (polypropylene), while the feet are crafted from galvanized steel. Each foot features two holes, allowing for attachment to the substrate using either a nail gun or a plug with screw. A height-adjustment system enables the quick and easy achievement of the required slopes.



General information

Product ID	40006220
GTIN	5413574141034
Minimal description	Designed for the rapid installation of 50 mm diameter downpipes.
Manufacturer name	Rofix
Brand name	ROFIX
Product in stock	No
Net length	142 mm
Net width	20 mm
Net height	80 mm
Net weight	0.067 kg
Net volume	0.227 m³
Product status	Product is currently manufactured and available to order
Product condition	New product
REACH indicator	Does not contain any SVHC in excess of 0.1% product weight

Ordering information

Order unit	Piece
Minimum quantity	20
