

## Mounting rail R41/41-2.50 - 2m

Rofix mounting rail is a useful aid in numerous mounting techniques. In contrast to frequent drilling and/or welding, our mounting rail offers a quick and easy solution. This saves costs and shortens working time. The mounting rail is used as a support, for wall, floor or ceiling mounting. The Rofix mounting rails have already proved their worth in a wide range of fixing techniques, such as in the sanitary, heating, air-conditioning and air handling industries.
