

## Trias S40-50-60 H700/2 - Standard

Rofix Trias bracket - Standard clamp

With the Trias bracket, Rofix has met the demand for greater flexibility with regard to wall spacing when mounting radiators.

The nylon support block with 3 fixed adjustment positions, at the bottom of the bracket, facilitates the determination of the correct wall distance (40, 50 or 60mm).

The deep notches in the nylon support block prevent the radiator from sliding out.
