

Unifix/2

With the "Unifix" floor bracket, Rofix introduced a universal radiator fixing that is very stable and solid. This floor bracket is easy to mount and suitable for almost all plate radiators with max. H300mm. With the Unifix, Rofix met the growing demand for a universally applicable and aesthetically pleasing solution for mounting radiators. For radiators L > 2m, we recommend to change to the Rofix Expander or Unistand.
