Double thread screw zinc M8x60

The upper part of the hanger bolt has a thread with Torx head and the lower part has a wood thread. The 2 thread types are separated by a hexagonal middle section. This middle section makes it possible to tighten the screw with a spanner. The wood thread can be fixed faultlessly in wood or, with the help of a plug, in concrete. Rofix pipe brackets, among others, can be easily attached to the thread.

General information

Product ID	50000743
GTIN	5413574011221
Manufacturer name	Rofix
Brand name	ROFIX
Product in stock	No
Net length	0.125 m
Net width	0.075 m
Net height	0.07 m
Net weight	0.012 kg
Net volume	0.656 m³
REACH indicator	Does not contain any SVHC in excess of 0.1% product weight

Ordering information

Order unit	Piece
Minimum quantity	100
